

**~ To avoid being a sexual crime victim ~****Points to be paid attention**

- Avoid walking alone on a quiet street.
- Even if it takes longer than the usual way, choose a bright and busy street.

- Before you unlock the door, Be sure to pay attention to suspicious people.
- A double lock or more would be highly recommended.

- Don't walk while using a mobile phone or listening to the music. (You don't pay careful attention to your surroundings.)
- Take a noisemaker with you. (Keep it ready to use)

- Pay attention to your back, too. (Turn around from time to time)
- Shout for help and dial 110 for emergency call when you feel danger.
