

For the technical intern trainees

Disappearance cases are frequently
occurring all over the country !

After disappearance, many trainees have fallen into
the following cases.

- Expiration of period of stay (Illegal stay)
- Work out of qualification due to poverty (Illegal employment)
- To be implicated in crimes such as theft

All of the above-mentioned cases are crimes!!

Number of arrests of foreign technical intern trainees

2015...	2,044 cases	2017...	2,813 cases	2019...	3,509 cases
2016...	2,275 cases	2018...	2,796 cases		

If you disappear from the workplace, not only you will be a lawbreaker, but you may get involved in crime.

If you commit a crime in Japan, you should be...

arrested

Even though you came to Japan, you have to return before acquiring skills.

deported - imprisoned - fined

Follow the Japanese laws and rules to have a peaceful and safe life!
